- Provide expert witness testimony in adult and juvenile court
- Provide consultation services to various agencies/organizations
- Conduct trainings for various non-profit, private, and government agencies
- Moderate webinar trainings for Safer Society on a variety of mental health topics
- Train and present at conferences throughout the United States
- Contracted provider for psychosexual evaluation and treatment services for the United States Probation Office, District of Kansas in Wichita, KS

### **July 2011-July 2023**

Agency: **Clinical Associates, P.A.**

Title: **Program Director, Program for the Evaluation & Treatment of Sexual Abuse (SOTP)**

Location: **Lenexa, KS**

Experience:

- Managed the Sex Offender Treatment Program according to contracts and agreements with the following agencies: Kansas Department of Corrections Adult (2011-2019), Community Corrections

(2011-2023), Court Services (2011-2023), Kansas Department of Corrections Juvenile (2016-2023) and United States Probation (2011-2023)

- Provided constant program quality assurance and monitored overall program compliance
- Evaluated employee job performance, established job responsibilities for each position, and established compensation for each position within the program
- Managed statewide staff of master's level behavioral health professionals who provided clinical services to clients throughout Kansas
- Established agency policy regarding staff development, staff retention strategies, employee manuals, compensation and bonus structure, and staffing needs
- Oversaw fiscal operations including all revenue and expenses
- Formulated, analyzed, and reported data on client outcomes including annual trends
- Wrote contracts, funding proposals, and RFP responses for State and Federal solicitations
- Scheduled and chaired regular staff meetings, management team meetings
- Established mechanism for external peer review to ensure services were delivered in a cost-effective and evidence-based manner

### **June 2014-October 2021**

Agency: **Clinical Associates, P.A.**

Title: **Private Practice**

Location: **Lenexa, KS**

Experience:

- Provided Psychosexual and Psychological Evaluations to adults and adolescents
- Conducted individual therapy in a private practice setting
- Specialized in forensic populations with adults and adolescents involved in the criminal justice system
- Conducted Sexually Violent Predator Evaluation for the State of Kansas
- Provided therapy to students at multiple schools in the Olathe School District
- Offered multi-agency trainings throughout the state

### **April 2010-May 2011**

Agency: **The University of Kansas Health System Marillac Campus** (formerly Marillac, Inc.)

Title: **Clinical Therapist**

Location: **Overland Park, KS**

Experience:

- Provided individual, group, and family therapy to youth within Psychiatric Residential Treatment Facility (PRTF)
- Provided evaluation and assessment services to individuals in a hospital setting
- Conducted psychotherapy with youth who have a history of sexual aggression
- Participated in clinical staff meetings, treatment team meetings, and attend agency trainings

### **September 2009-April 2010**

Agency: **State of Kansas—Juvenile Justice Authority**

Title: **Director of Mental Health**

Location: **Kansas Juvenile Correctional Complex, Topeka, KS**

Experience:

- Served as the Chief Psychologist for the Mental Health Department
- Provided clinical and administrative oversight to psychologists within the Mental Health Department
- Evaluated employees' performance, established goals for quality improvement, and implemented coaching strategies to guide employees
- Created program curriculum, and provided oversight of therapeutic interventions
- Wrote facility policies regarding suicide prevention, and provided facility-wide policy training
- Provided individual and group therapy to residents throughout the maximum-security facility

**August 2007-September 2009**

Agency: **DCCCA, Inc.**

Title: **Clinical Supervisor—Northern Region Sex Offender Treatment Program**

Location: **Kansas City, KS/Topeka, KS Community-Based Treatment**

Experience:

- Assisted the Program Coordinator in the management of Masters Level Clinicians within the Northern Region Community-Based Sex Offender Treatment Program, and in the daily management of the Kansas City and Topeka offices
- Performed pre-sentence and post-release psychosexual evaluations on adult and juvenile offenders referred by the State of Kansas Department of Corrections, the State of Kansas Juvenile Justice Authority, United States Probation, Federal Bureau of Prisons, Private Attorneys, District Attorneys, District Courts, and the United States District Court District of Kansas
- Supervised all agency clinicians who performed psychosexual evaluations, coordinated statewide evaluation services, and tracked data on evaluation services throughout the state
- Conducted in-house trainings, trainings for external agencies, and trained clinical staff on treatment techniques, intervention strategies, treatment planning, and risk assessment
- Provided expert testimony regarding psychosexual evaluations
- Performed Psychopathy Evaluations
- Provided group therapy to offenders in the community

**August 2002-August 2007**

Agency: **DCCCA, Inc.**

Title: **Clinical Therapist**

Location: **Lansing Correctional Facility/Kansas City, KS Community-Based Treatment**

Experience:

- Conducted group therapy and psychoeducation with incarcerated sex offenders and offenders in the community under post-release supervision
- Conducted the first groups comprised exclusively of individuals with pedophilic disorder within the state Sex Offender Treatment Program
- Prepared clinical reports on client treatment, outcome, recommendations for discharge
- Performed pre-sentence psychosexual assessments and evaluations on adults and juveniles
- Performed the agency's first juvenile sex offender evaluation
- Clinical therapist for the agency's first exclusively Federal sexual offender group
- Conducted trainings for State Sex Offender Treatment Program clinicians
- Prepared data and reports on client treatment, outcomes, and evaluation services

---

## **TEACHING EXPERIENCE**

Institution: **University of Kansas**

Position: **Professor of the Practice – School of Professional Studies (Criminal Justice)**

Semester(s): **Fall 2025, Spring 2026**

Class: **CRIM 460 - Forensic Profiles: Violent Minds**

Course Description: From psychopaths to sexual offenders, this course explores the world of those who commit crimes of interpersonal violence. Learn how experts conduct forensic evaluations and therapy and provide expert witness testimony in State and Federal court. Through case presentations, class discussion, and assigned readings and videos, this course takes you through the looking glass to discover what it's really like to work with such a challenging population.

Institution: **University of Kansas**

Position: **Professor of the Practice – School of Professional Studies (Criminal Justice)**

Semester(s): **Spring 2026**

Class: **CRIM 458 – Child Victim & Forensic Interviewing**

Course Description: This course explores the value, purpose, and need for utilizing forensic interviewers for effective child investigations. Particular attention will be paid to trauma responsive investigations and techniques, life span approaches, and the unique need of child victims in sexual exploitation investigations. Students will learn about the role of the forensic investigator, the impact of strong collaborations for holistic victim engagement, and the use of evidence-based strategies with children.

Institution: **MidAmerica Nazarene University**

Position: **Adjunct Instructor - Counselor Education (Graduate Program)**

Semester(s): **Spring 2021, Spring 2022, Spring 2023, Spring 2024, Spring 2025**

Class: **COUN 6613 - Individual and Family Assessment**

Course Description: This course encompasses the types, uses, and basic psychometrics involved in individual and family testing and assessment. Validity, reliability, and program evaluation concepts are covered, and students are introduced to elementary statistical concepts important to test interpretation and understanding test reviews.

Institution: **Rockhurst University**

Position: **Adjunct Instructor - Psychology**

Semester(s): **Spring 2021, Spring 2022, Spring 2024**

Class: **PY 3810 - Psychology & Law**

Course Description: Psychology and Law focuses on how the application of theories, methods, and research findings in psychology can contribute to a better understanding of questions and issues related to law and the legal system. Topics include forensic evaluations, eyewitnesses, interrogations and confessions, criminal profiling, prediction of dangerousness, polygraphs, competencies, criminal responsibility/insanity, jury decision-making, and sentencing decisions.

Institution: **Rockhurst University**

Position: **Adjunct Instructor - Psychology**

Semester(s): **Spring 2020, Fall 2021, Spring 2022**

Class: **PY 2550 - Abnormal Behavior**

Course Description: Abnormal Behavior introduces students to the fascinating area of psychopathology. Examination of the various forms of maladaptive behavior, including mood, anxiety, psychotic, eating, substance use, and personality disorders, is a central focus of this course. Diverse theoretical perspectives on abnormal behavior are discussed, and current research on the treatments of psychological disorders are examined. Students develop a solid understanding of psychopathology through lecture and discussion.

Institution: **Emporia State University**

Position: **Graduate Teaching Assistant - Psychology**

Semester(s): **Spring 2001**

Class: **PY 100 - Introduction to Psychology**

Course Description: Introduction to Psychology is a course designed to cover the major areas of concern in psychology (learning, perception, personality and behavior disorders) which will give the student a basis for advanced work in understanding human behavior.
