

Cookie Policy

Effective date: October 26, 2026

Last updated: October 26, 2026

What are cookies?

This Cookie Policy explains what cookies are, how we use them, the types of cookies we use (i.e., the information we collect using cookies and how that information is used), and how to manage your cookie settings.

Cookies are small text files used to store small pieces of information. They are stored on your device when a website loads in your browser. These cookies help ensure that the website functions properly, enhance security, provide a better user experience, and analyse performance to identify what works and where improvements are needed.

How do we use cookies?

Like most online services, our website uses both first-party and third-party cookies for various purposes. First-party cookies are primarily necessary for the website to function properly and do not collect any personally identifiable data.

The third-party cookies used on our website primarily help us understand how the website performs, track how you interact with it, keep our services secure, deliver relevant advertisements, and enhance your overall user experience while improving the speed of your future interactions with our website.

Cookies, Analytics, and Advertising. Our website uses cookies and similar technologies. We use Google Analytics to understand how visitors use our site, and Google Ads to measure and improve our advertising. These services are provided by Google LLC, which may collect information such as your IP address, device and browser information, and pages visited, and may use this information across other websites. You can learn how Google uses data at policies.google.com/technologies/partner-sites, and you can opt out of Google Analytics with the Google Analytics Opt-out Browser Add-on.

Your choices. When you first visit our site, you can accept or decline non-essential cookies through our cookie banner, and you can change your choice at any time using the cookie settings link in our website footer. Under California law, you may opt out of the sale or

sharing of your personal information, which includes certain advertising cookies, by using the “Do Not Sell or Share My Personal Information” link.

Do Not Track and Global Privacy Control. Some browsers offer a “Do Not Track” setting. Because there is no uniform standard for responding to these signals, our website does not currently respond to them. We do honor Global Privacy Control (GPC) signals as a request to opt out of the sale or sharing of your personal information.

Third parties. Other parties, including Google, may collect information about your online activities over time and across different websites when you visit our site.

Contact. Questions about this policy may be directed to Dr. Bridgette Atallah at office@scpsychservices.com or by calling 949-228-9080.

Types of cookies we use

Necessary

Necessary cookies are required to enable the basic features of this site, such as providing secure log-in or adjusting your consent preferences. These cookies do not store any personally identifiable data.

C o o k i e	Duration	Description
rc: :a	Never Expires	This cookie is set by the Google recaptcha service to identify bots to protect the website against malicious spam attacks.
rc: :c	session	This cookie is set by the Google recaptcha service to identify bots to protect the website against malicious spam attacks.
m	1 year 1 month 4 days	Stripe sets this cookie for fraud prevention purposes. It identifies the device used to access the website, allowing the website to be formatted accordingly.

Analytics

Analytical cookies are used to understand how visitors interact with the website. These cookies help provide information on metrics such as the number of visitors, bounce rate, traffic source, etc.

Cookie	Duration	Description
_gd*	Less than a minute	Google sets this cookie to allow the use of Google Analytics service for anonymous visitor tracking on the website. Google Analytics is used to compile reports and improve the site.
wc_client	6 months	This cookie is set by the provider Woundwo.com. This cookie is used for identifying the web traffic. It records the landing page and source of the visitor's visit for analytics.
AMP_*	Never Expires	Amplitude user session cookie that stores user and session information, suffixed with the first 10 characters of the project's API key.
bugsnag-anonymous-id	Never Expires	BugSnag/Juicer sets this cookie for bug reporting and other analytical purposes.

Advertisement

Advertisement cookies are used to provide visitors with customised advertisements based on the pages you visited previously and to analyse the effectiveness of the ad campaigns.

Cookie	Duration	Description
_gcl_au	3 months	Google Tag Manager sets this cookie to experiment advertisement efficiency of websites using their services.

Uncategorised

Other uncategorised cookies are those that are being analysed and have not been classified into a category as yet.

Cookie	Duration	Description
wc_visitor	1 year 1 month 4 days	No description available.
wc_client_current	session	No description available.
tracking_enabled	1 day	Description is currently not available.
simplepractice-session	session	Description is currently not available.
ember_simple_auth-session	session	Description is currently not available.

ember_simple_auth-session-expiration_time	session	Description is currently not available.
client-portal-session-expiration_time	1 day	Description is currently not available.

Manage cookie preferences

You can change your cookie preferences or withdraw your consent at any time on www.scpsychservices.com using the cookie preferences option available on the site.

Additionally, different browsers offer various methods to block and delete cookies used by websites. You can adjust your browser settings to block or delete cookies. Below are links to support documents on how to manage and delete cookies in major web browsers.
