WEBSITE PRIVACY POLICY

Information we collect

The personal information that you are asked to provide, and the reasons why you are asked to provide it, will be made clear to you at the point we ask you to provide your personal information.

Contact Form Information

Through our website we may gather the following information:

- Name
- Email
- Phone number
- Child's age (if requested)
- Reason for inquiry
- Scheduling information

How We Use Your Information

We may use third-party service providers to assist with website hosting, analytics, scheduling, communications, and practice management. We may use information gathered from the site to do the following:

- Respond to inquiries
- Schedule consultations
- Provide requested services
- Improve website performance
- Comply with legal obligations

If you contact us directly, we may receive additional information about you such as your name, email address, phone number, the contents of the message and/or attachments you may send us, and any other information you may choose to provide.

Log Files

Insight Psychological Center for Children follows a standard procedure of using log files. These files log visitors when they visit websites. All hosting companies do this and a part of hosting services' analytics. The information collected by log files include internet protocol (IP) addresses, browser type, Internet Service Provider (ISP), date and time stamp, referring/exit pages, and possibly the number of clicks. These are not linked to any information that is personally identifiable. The purpose of the information is for analyzing trends, administering the site, tracking users' movement on the website, and gathering demographic information.
